

# Summit County Fire Chiefs' Association

## Mission / Vision / Values

### **Mission:**

The Summit County Fire Chiefs' Association shall be a source of information and education for its members. It shall uphold its members' rights and promote a spirit of cooperation. It shall actively interface with government, public and business sectors on issues relating to Fire, EMS and special services within Summit County.

### **Vision:**

The Summit County Fire Chiefs' Association will foster continued communication, cooperation and collaboration among Summit County Fire Departments and those organizations affecting their operations.

### **Values:**

We value open, spirited respectful discussion at SCFCA meetings.

We value effective work and reporting out by committees, subcommittees and those assigned to special projects.

We value participation and attendance by all Summit County Fire and EMS departments.

We value effective and open relations with Summit County and its agencies, with educational, medical, non-governmental organizations and businesses.

We value communication, cooperation and collaboration among all Summit County Fire and EMS departments.

We value communication, cooperation and collaboration with the Summit County Police Chiefs' Association and the Summit County Firefighters' Association.

We value continuing and progressive education.

We value safe, effective and efficient operations by all fire departments.
